Booth Assignment
Platinum booths are given priority booth selection. Once all exhibiting platinum booths have been selected, then Gold booths are given the opportunity to select their location. ACMA is responsible for booth assignments for Exhibitors. The following will be taken into consideration, but will not be the sole determining factor in booth location: order in which booth registrations/payments are received, company classification, suitability and availability of location. Exhibitors may request their preference in booth location (i.e. corner, near food, near main entrance, etc). Careful consideration will be given to all such requests but they are not guaranteed. ACMA reserves the right to assign, relocate or reassign exhibit booths at any time for the overall benefit of the event.

Staff Badges
Exhibitor receives (2), Gold receives (4) and Platinum receives (6) badges. Exhibiting companies may purchase extra badges for $300/ea. Staff badges will admit exhibiting company reps to the exhibit hall during exhibit set-up and dismantling hours, to conference educational sessions, and to the Closing Party. Only representatives who are employed directly by the exhibiting company and who will be working at the booth in exhibit hall are eligible for staff badges.

General Service Contractor
Freeman is the official General Service Contractor for ACMA 2016 and will provide all services in the exhibit area. Complete information, instructions and schedule of prices regarding shipping, drayage, labor for installation and dismantling, electrical service, furniture, etc., will be included in the exhibitor services manual to be forwarded from ACMA in January 2016. It will also be posted to Freeman’s online portal. An exhibitors’ service center will be maintained during applicable hours to facilitate services requested for additional needs of exhibitors. Exhibitors are responsible for all information provided in the exhibitor services manual.
GENERAL EXHIBIT INFORMATION (CONT.)

Security
Peripheral watchmen shall be furnished by ACMA to be on duty in the exhibit area when exhibits are closed, but the safekeeping of the exhibitor’s property shall remain the responsibility of the exhibitor. Neither ACMA nor the meeting facility and/or general service contractor will be held responsible for loss of any material by or for any reason. It is recommended that each exhibiting company carry appropriate insurance to protect them against loss through theft, fire, damage, etc. Forms to order additional security in your booth will be included in the Exhibitor Service Kit made available in January 2016.

Use of Space & Restrictions
No exhibitor shall permit any other corporation or firm, or its representatives, to use the space allotted to them, nor shall display articles not manufactured or sold normally by them. Co-participation by any other corporation or firm or its representatives in space assigned to the original applicant may do so only with written permission from the ACMA, and shall be subject to additional charges.

Right of Refusal
ACMA expressly reserves the right to refuse exhibit space, without notice or hearing to any applicant for exhibit space at any and all trade shows sponsored by ACMA or at any and all trade shows occurring in conjunction with the ACMA.

Exhibitor Hospitality Events & Staff Meetings
ACMA permits exhibiting companies to hold hospitality events and/or staff meetings in conjunction with the conference as long as the ancillary events do not occur during official conference hours as outlined on the conference schedule.

Only exhibiting companies will be approved for ancillary events held in conjunction with the conference. Any company not exhibiting who attempts to conduct an ancillary event will be assessed a fee equal to the cost of an exhibit booth. The company may also be restricted from attending and/or exhibiting at future ACMA events.

Space in the Tampa Marriott Waterside Hotel & Marina, Embassy Suites Tampa Downtown Convention Center and/or Tampa Convention Center is available on a first come, first served basis. Once the meeting request is approved, you will be provided with the appropriate contact information.

Do not contact the hotels and/or Tampa Convention Center directly for space. They will not release space without approval from ACMA. All meeting space requests for exhibitor hospitality events and/or staff meetings must be approved in advance by ACMA. Send requests to bnations@acmaweb.org.

Display Guidelines & Requirements
No exhibitor may enter another exhibitor’s both without permission. Photographing or examining another exhibitor’s material and/or equipment without permission is not allowed. Canvassing or distributing advertising material outside the exhibitor’s own booth is not permitted. Solicitation of business by non-exhibiting firms is prohibited.

Exhibits must be staffed at all times when the exhibit hall is open. All exhibit personnel are expected to make travel arrangements in accordance with the official exhibit hall schedule. As a courtesy to other exhibitors and all conference attendees, exceptions to installation and other dismantle times will not be allowed on the basis of flight times or any other travel arrangements made by an exhibiting company or any employee of that exhibiting company.
