

AMERICAN CASE MANAGEMENT ASSOCIATION

Certification validates a case manager's knowledge, competency and skills. Case managers holding an Accredited Case Manager™ (ACM) credential have proven that they are especially equipped to provide case management services within a health care delivery system.

ACMA Position Statement for Certification

Approved December 2, 2016

Nurses and Social Workers with 36 months of health delivery system experience should have their Accredited Case Manager credential, ACM, to practice Health Delivery System Case Management. ACM exam eligibility requires a minimum of twelve (12) months of Health System Case Management experience.
