

ACMA Honors 2010 Chapter of Excellence Award Winners

ACMA recognizes and congratulates the **Florida, Greater Houston, Maryland** and **Northern California** chapters, who have earned Chapter of Excellence designation for 2010. ACMA also extends a special recognition to the **Northern California Chapter** for earning this honor for the second consecutive year, and to the **Greater Houston Chapter** for their third consecutive Chapter of Excellence Award.

The Chapter of Excellence Award defines outstanding chapter performance by outlining the standards of practice for optimal chapter operation. Chapters achieve the award by demonstrating performance in the key areas of chapter operations and attaining specific growth and development benchmarks. Chapter of Excellence standards of practice ensure that chapters continue to grow, remain financially strong, are well-led, and are adequately prepared to meet members' educational and networking needs.
